COON RAPIDS
Minnesota

April 12, 2016

Chief Brad Wise
Coon Rapids Police Department
11155 Robinson Dr NW
Coon Rapids, MN 55433

Dear Chief Wise,

Attached is the 2015 Annual Report for the Coon Rapids Police Department.

An overall trend analysis shows Part I Offenses are up nearly 5.9 percent from last year; and Part II Offenses are up 2.84 percent from last year. Part III, IV & V Offenses (Calls for Service) have remained steady with negligible change from last year. Motor Vehicle Accidents have decreased by 1.6 percent.

In 2015 Coon Rapids Police joined the other law enforcement jurisdictions in Anoka County and transitioned from Vision Air Records Management System to TriTech Records Management System. As we transitioned into the new records management system, we also went from a Minnesota Offense Coding System to a Uniform Crime Reporting system. The Minnesota Offense Coding (MOC) system offered thousands of choices in coding a report. The new Records Management System uses the Uniform Crime Reporting (UCR) system which only has a few hundred choices for reporting crime. The UCR system conforms to the FBI submission standards thus streamlining the reporting of crime statistics. The 2015 Annual Report is a combination of the two systems. Future annual reports will use the UCR system only and the grouping of crime statistics will appear in a different format.

Respectfully submitted,

Paul Ireland

Paul Ireland
Deputy Chief

PART I

OPERATIONS AND PERSONNEL

LAW ENFORCEMENT CODE OF ETHICS

As a Law Enforcement Officer, my fundamental duty is to serve mankind; safeguard lives and property; to protect the innocent and the peaceful against violence or disorders; and to respect the Constitutional Rights of all men to liberty, equality, and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others; honest in thought and deed both in my personal life and official life. I will be exemplary in obeying the laws of the land and regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime, with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employ unnecessary force or violence and never accepting gratuities.

I will recognize the badge of my office as a symbol of public faith and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve the objectives and ideals dedicating myself before God to my chosen profession.....**LAW ENFORCEMENT.**

UNIFORMED PATROL DIVISION

The objectives of the Uniformed Patrol Division are as follows:

1. **PROTECTION OF LIFE AND PROPERTY:**
   Citizens expect the patrol officers to protect their lives and property from crime and disaster, using safe practices and procedures.

2. **PREVENTION OF CRIME:**
   A uniformed officer in a marked squad helps deter crime before it starts.

3. **ENFORCEMENT OF LAWS:**
   A patrol officer must know his/her duties and responsibilities. He/she is frequently called upon to make on the spot decisions and take immediate enforcement actions.

4. **PRESERVATION OF PEACE:**
   Some of the patrol officer's time is spent in handling domestic situations, drunk and disorderly persons, crimes of violence, trespassers and related crimes.

5. **APPREHENSION OF CRIMINALS:**
   A patrol officer observing a crime or ordinance violations must determine whether the offender should be physically arrested or only cited into court. He/she must also decide what specific charges will be placed against the offender.

6. **AIDS TO THE PUBLIC:**
   The patrol officer is expected to render reasonable assistance to members of the public in need of help.

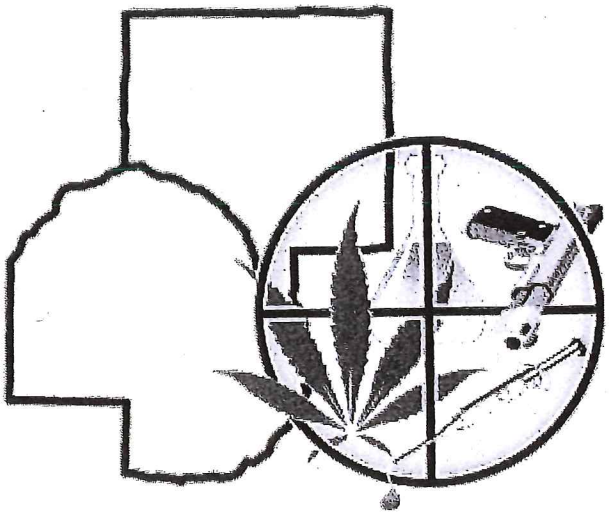
Anoka Hennepin Narcotics and Violent Crimes Task Force



2015 Annual Report

2015 Anoka-Hennepin Narcotics And Violent Crimes Task Force Summary

It was another busy and productive year for the Task Force. As is usually the case, there were changes to the roster.

Lieutenant Bryon Fuerst (CID) continues to command the Task Force. Sgt. Chris Sloneker and Detective Johnson provided the day-to-day direction and supervision at the Task Force. Detective Johnson retired the last week of 2015 and his team lead position was filled with ACSO Detective Pat Nelson. ACSO Deputy Chris McCall was pulled back to patrol to assist with patrol staff shortages. His spot is intended on being filled in 2016. The end of 2015 also saw the completion of assignment and departure of Coon Rapids Officer, Interna Kim, who was replaced by Officer Joe Price and Anoka Officer, Tom Gagnon, who was replaced by Officer Brent Solei.

In 2015 the Task Force again saw the return of a National Guard Analyst position. Shona Desaye came to us and left with the partial year funding that has become the norm.

The most significant Task Force events in 2015 were the continued efforts in fighting the sale of heroin to residents of Anoka and Hennepin Counties. The task force was responsible for two major investigations that included collaboration with the DEA and other task forces that resulted in multiple Federal indictments and local charges. Both investigations put a stop to prolific groups selling Heroin in our area and held people accountable for multiple heroin overdose deaths in both Anoka and Hennepin Counties.

Training opportunities in 2015 included sending most of the detectives to the annual MSANI conference in the spring. Three detectives attended a BCA sponsored basic Narcotics course. One detective attended the BCS sponsored basic under cover course and two detectives attended the BCA sponsored advanced under cover course.to the fall conference. Additionally, two detectives attended the one day Meth Lab recertification class, three attended a two-day task force commander training, one attended a NIK testing course, five attended a vehicle assaults training and all attended a one day in-house tactical training.

The Task Force handled 760 investigations, served 196 search warrants, and made 205 arrests. 0 methamphetamine labs were worked by the Task Force. The Task force worked 2 marijuana grow operations (10+ plants). The Task Force seized 97.46 pounds of marijuana, 6,511.49 grams of methamphetamine (14.35 pounds), 358.98 grams of cocaine, and 241.93 grams of heroin.

The numbers reported in the annual report reflect accurate year end totals. These totals slightly differ from the total of combined quarterly report numbers. The difference is accounted for by making up for late reporting.

ANOKA-HENNEPIN NARCOTICS & VIOLENT CRIMES TASK FORCE

2015 STATISTICS SUMMARY

NEW CASES ASSIGNED:	**760**
In Custody Cases *(included in above number):*	**527**

DISPOSITION OF THOSE CASES AT THE END OF 2015 :
