Helping you recycle more!

Who we are…

The Coon Rapids Recycling Center specializes in the recycling of material that can be hard to manage around your home or small business; items that don't need to be thrown in the trash. Our facility accepts a wide range of recyclable materials, everything from plastics to metal, motor oil and more! The Recycling Center is open to Coon Rapids and Anoka County residents. The Recycling Center is city operated, but funded through a state SCORE grant, the State's Select Committee on Recycling and Environment.
