

# Crooked Lake Park

PRELIMINARY CONCEPT PLAN

### EXISTING STORAGE BUILDING

Existing building to remain.

### NATURALIZED SHORELINE

Native plant materials provide an ecological buffer for Crooked Lake.

### IMPROVED TENNIS COURTS

Existing tennis courts will be reconstructed in same location.

### LOOKOUT / LAKE ACCESS

A terraced deck system will provide access down to Crooked Lake for Polar Plunge event and summer water access.

### PICNIC SHELTER

Picnic shelter to accommodate 50 people.

### WATERLESS RESTROOM

Dual restrooms and storage.

### SAND VOLLEYBALL

Two sand volleyball courts will be lit for night play.

### FISHING PIER

Existing pier to remain in place.

Crooked Lake

### TRAILS

Proposed trails provide improved circulation throughout the site and accessible connections to all park amenities.

### RAIN GARDENS

Rain gardens will accommodate site runoff and provide a naturalized buffer to the street.

### BALL FIELD

With new players' benches and backstop.

### MAIN SITE ACCESS

Park monument sign is placed at the main site access point.

### CENTRAL PLAZA

The central plaza will serve as a connecting point for the trails and a gateway to the park amenities.

### PLAYGROUND

Playground area contains separated play areas and adjacent parental seating area.

### PARKING LOT

Consolidation of existing lots for a total capacity of 98 cars.

### PICNIC SHELTER / TABLES

Picnic shelter to accommodate 50 people.
